

Welcome!

Tamarind books have a life beyond the covers. Here are some activities to help bring your books to life, fire up the imagination, and start children writing, drawing and having fun.

For over 20 years, Tamarind has published books for a multicultural world. These beautiful and inclusive books have universal themes: wobbly teeth, magic, family life, fantasy, fun and much more. Tamarind books feature on National Curriculum reading lists and on BBC children's television and radio. We reach a wide and growing audience.

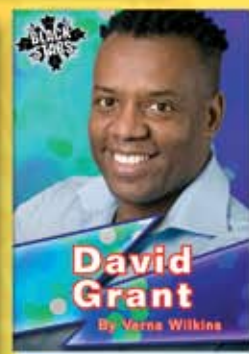

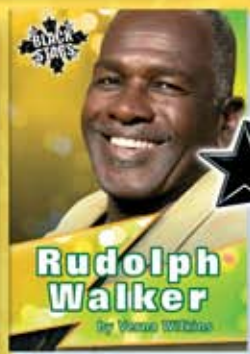

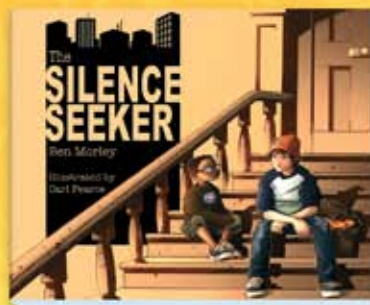

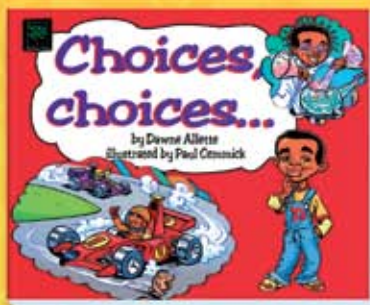

These activity sheets are great for themed work: people and the jobs they do, moving house and Black History month. There are mazes, matching games and quizzes. Children can work alone, in pairs or in groups.

To view all our books, visit our website at www.tamarindbooks.co.uk. You can also sign up for our e-newsletter to learn more about new books and events. We hope you enjoy the pack.
